 - Register through the Extension Office or the link on our website at www.nkybeekeepers.com
- Jack Hunt still has package bees for sale. You may contact him directly at jmhunt826@yahoo.com or via the link on the front page of our website www.nkybeekeepers.com
- Charles Caldwell is looking into the price of club tee shirts. Once we have the price we will be take orders. Hopefully, all the club members will order a shirt so we can be identified at the "bee school".
- The meeting mostly consisted of planning for the upcoming school. It was discussed the possibility of having an advanced class as well. Covering subjects such as: extraction, marketing, types of bees, and swarm retrieval. Also, we will be serving lunch. I think we convinced Val to make her awesome bean soup again this year. All these topics will be discussed at the February meeting for finalization.
- The next meeting is February 7th at the Boone County Extension Office.
- Dues are collected on an annual basis: a membership fee of \$2.00 can be given to Susan at any time.

See you at the next meeting,

Anna Gurley
